LOOKING FOR A PROJECT?! Great upside potential for someone looking for a fixer upper. Nicely upgraded kitchen with chiseled edge granite and stainless appliances. Beds 2 and 3 have been combined but is an easy fix to return them to separate bedrooms. Bedroom and 3/4 bath downstairs. Nice sized master and master bath with multiple closets. Pool with built in spa (both need to be resurfaced). Roof needs some work. Worth a look if you're handy and need a project. Property will be treated for termites prior to COE with a 1 year warranty. CONDITION WILL NOT ALLOW FINANCING. <i>Courtesy of Summit Services And Realty</i>
